# **REPORT ON INSTITUTIONAL DEVELOPMENT PLAN IMPLEMENTATION**

**February 2026**

## **1) Introduction**

This report presents a detailed overview of various programs conducted by the college in alignment with Educational Institution Development Plan. The objective of these programs is to enhance academic excellence, improve infrastructure, develop students skills, promote digital transformation, ensure student welfare and maintain quality standard in accordance with National Education Policy (NEP) 2020.

## **2) Objectives of the Programs**

The key objectives of organizing these programs are:

- To align the curriculum with NEP 2020.
- To improve teaching-learning processes through technology.
- To enhance employability and career readiness of students.
- To ensure effective digital administration.
- To promote student welfare and support systems.

## **3) List of Programs organized in the month of February 2026**

- a) Smart classroom training program
  - Training sessions were held for faculty to effectively use digital boards and projectors.
- b) Virtual Lab Practical session
  - Virtual lab practical sessions were held to improve students practical knowledge.
- c) Internship Training Program
  - Students were guided on securing internships and gaining industry exposure.
- d) Career Counseling Session
  - Experts provided guidance on career opportunities and higher education.
- e) IP rights awareness session
  - A session was organized to make the students about Intellectual Property Rights.

## **4) Conclusion**

The college has successfully conducted a wide range of programs aimed at holistic development. These initiatives have contributed significantly to academic improvement, skill development, digital advancement and quality assurance. The institution continues to strive towards excellence by aligning its activities with National Education Standards and future requirements.
