## Mentor Feedback Report

Session Title: Career Counselling & Skill Development: Post-Graduation and Consistency Building

Date: 17 March 2026

Mentor: Shri. Sunil Kumar Patel , Assistant Professor, Department of Physics

### Objective:

The session was designed to provide students with clear guidance on career opportunities after graduation and higher studies, while reinforcing the role of consistent effort in achieving professional success.

### Session Overview:

The discussion included an overview of different career options, the need for developing relevant skills, and practical methods to stay disciplined and focused. The session encouraged interaction and open communication.

### Student Participation and Response:

Students were actively involved throughout the session. Many shared their concerns and asked questions about career selection, further education, and future planning. The focus on consistency and self-improvement received positive feedback.

### Challenges Observed:

It was observed that several students were uncertain about their career direction. Some faced challenges in maintaining regular focus and lacked structured planning. Awareness about diverse career opportunities was also limited.

### Suggestions for Improvement:

Future sessions can be strengthened by incorporating more interactive activities, clear step-by-step career guidance, and dedicated time for individual queries. Visual presentations may further improve understanding.

### Conclusion:

The session proved to be useful and engaging. With slight enhancements in structure and delivery, such sessions can become more effective and beneficial for students.

# Mentor Feedback Report

Session Title: Career Counselling and skill development program/Post-Graduation & Consistency Building

Date: [25-03-2026]

Mentor: [Miss. Shalu Agrawal, Assistant Professor, Department of Zoology]

## 1. Objective of the Session

The primary objective of the session was to guide students regarding career opportunities after graduation and post-graduation, along with emphasizing the importance of consistency in achieving long-term goals.

## 2. Session Overview

The session covered various career pathways, importance of skill development, and strategies to maintain consistency, discipline, and focus. The interaction was student-centric with open discussions.

## 3. Student Participation and Response

Students showed active interest in career discussions. Many asked questions regarding career confusion and direction. The topic of consistency and motivation was well received.

## 4. Challenges Observed

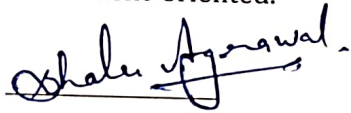

Some students lacked clarity about career goals. A few faced difficulty maintaining focus. There was limited awareness about career options and planning strategies.

## 5. Suggestions for Improvement

Future sessions should include more interactive activities, structured career roadmaps, individual doubt-solving time, and use of visual aids for better engagement.

## 6. Conclusion

The session was informative and impactful. With minor improvements, future sessions can be more effective and student-oriented.
